

Region/Area Pilot Program

Dear _____,

Thank you for applying for the AYSO *EXTRA* Pilot Program in Region 289. As you know, many players applied to participate in this one-year pilot program. Team numbers are limited and it was difficult making a choice of which players will be included this time. This letter is to notify you that you have not been selected for the U-___ *Extra* program this coming season.

Your player evaluation form is included and it gives you a summary of the skill levels that you demonstrated during your evaluation. This form will help you to concentrate on these areas for improvement this coming season in the AYSO standard primary program. Please let me know if you would like to go over this information.

We encourage you to apply again next year should this *Extra* program be continued.

Your coach will be contacting you soon and we look forward to seeing you on the field this fall (spring) in Region 289's standard program.

Play hard and have fun!

Sincerely,

Extra Regional Coach Administrator
